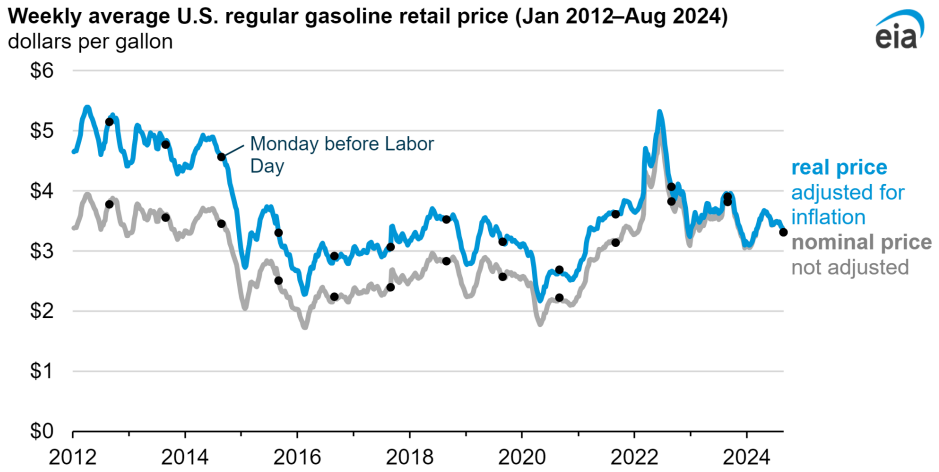
Last updated: Jan 21, 2025

1. Gasoline prices declined for 52 weeks straight from $5.1 dollars in mid June 2022 to $3 in January 2025, a 39% decline. While gasoline prices did increase after this time, they have reduced to a similar price as in January 2024. For comparison, the 2010-2020 average price for gasoline was $3.23.

https://www.eia.gov/dnav/pet/hist/LeafHandler.ashx?n=pet&s=emm_epmr_pte_nus_dpg&f=w

2. Inflation-adjusted (nominal) gas prices on August 26th, 2024, was $3.31 per gallon, just slightly higher than in 2019, and almost equal to the same time in 2018.



https://www.eia.gov/todayinenergy/detail.php?id=62964

3. Deportation rates under Biden are higher than both Trump. Immigration stats show that under the Biden administration, 3.2 million out of the 7.4 million immigrants apprehended at the southern border have been deported, another 1.5 million sent to ICE/HHS custody. Trump deported only 800,000 immigrants, while Obama deported 619,500 immigrants in his second term. Even if you go by percentages, Biden still deports 43.3% of all apprehended immigrants, Trump deported 41.4% (800,000 out of 2 million) and Obama 45.7% (619,500 out of 1.4 million).

5. US Border Patrol has prevented more illicit fentanyl from entering the US in 2023 and 2024 than in the previous five years combined. In total, 48,900 pounds worth of fentanyl were seized in 2023-2024, compared to 35,204 pounds captured from 2018-2022.

https://www.cbp.gov/border-security/frontline-against-fentanyl
https://www.cbp.gov/newsroom/stats/drug-seizure-statistics

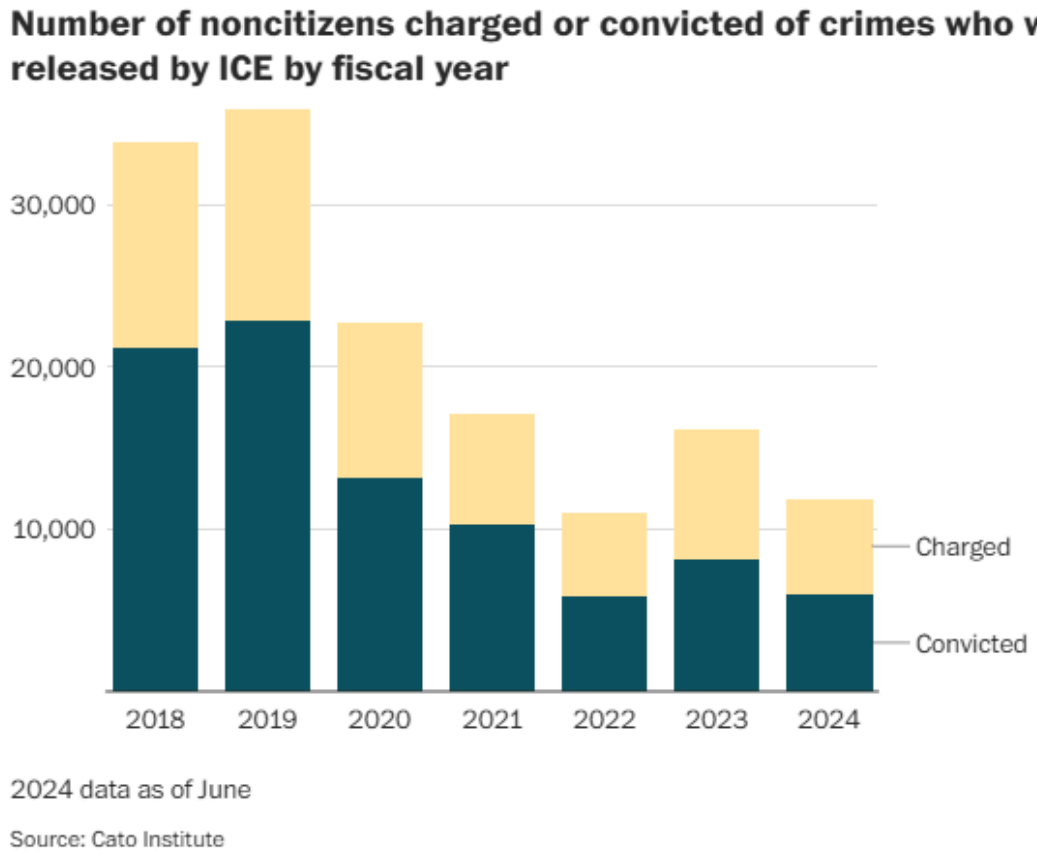
6. Secretly restarted construction of Trump's border wall, due to a surge in migrant crossings. Some $1.4 billion is being appropriated to build 13.4 miles of additional border wall and 20 miles of new border wall in Texas.

https://www.reuters.com/world/us/us-build-new-barriers-roads-texas-border-area-2023-10-05/
https://www.factcheck.org/2023/10/bidens-border-wall-explained/

7. Illegal crossings on the southern border were down by 40% three weeks after Biden signed an EO on asylum restrictions, per DHS statistics.

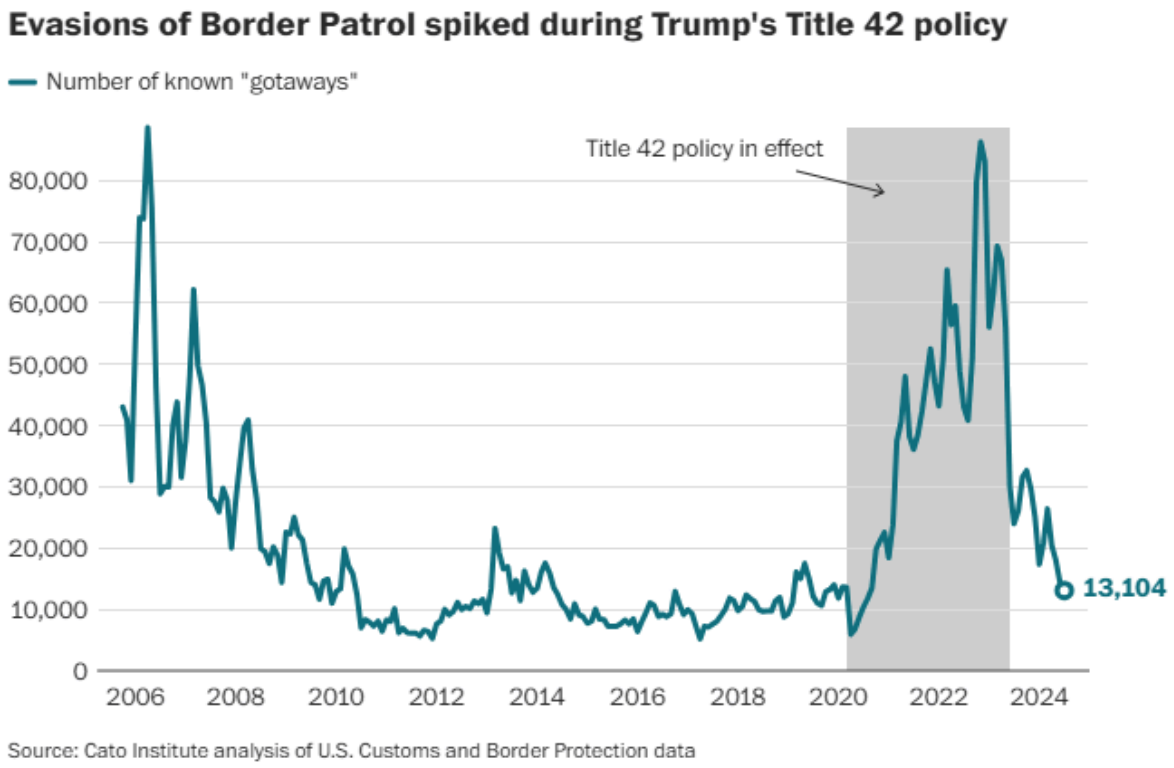
https://www.pbs.org/newshour/politics/border-arrests-fall-more-than-40-percent-after-bidens-new-asylum-restrictions-dhs-says

8. Illegal immigrants convicted of crimes released by ICE was cut by 47% under Biden. Whereas under Trump, 57,130 illegals convicted of crimes were released from January 2017 to February 2020 (including 14,904 violent criminals), only 30,330 illegals were under Biden. An average of 5,719 convicted illegals are removed from the United States every month under Biden, compared to 4,850 per month under Trump, an 18% increase in removals of criminals.



https://www.cato.org/commentary/trumps-immigration-policies-made-america-less-safe-heres-data
https://www.cato.org/blog/trump-released-criminals-so-he-could-jail-asylum-seekers

9. Ended the Trump-era Title 42, which caused "gotaways" (illegals who evade border patrol) to jump from l5,936 in April 2020 to a peak of 86,254 in November 2022 (a 441% increase). Since ending it, illegals evading border patrol has plunged 77%.



https://www.cato.org/commentary/trumps-immigration-policies-made-america-less-safe-heres-data
https://www.cato.org/blog/trump-released-criminals-so-he-could-jail-asylum-seekers

10. Cut inflation by nearly 3/4ths since June 2022. Inflation was also cut in half during 2023. Moreover, in July 2024, the inflation rate fell under 3% for the first time since March 2021. Currently, the rate is at 2.9%, the lowest since 2021.

https://fred.stlouisfed.org/series/CPIAUCSL

11. Historic high S&P 500, NASDAQ and Dow Jones feats under Biden. Currently, Dow Jones sits at just over 43,487, the highest ever in history, and is 45% higher than what it was in January 2021. S&P 500 currently it is at 5,967, again the highest in history and 61% higher than when Biden was inaugurated. Finally, for the NASDAQ Composite Index, which is currently at around 19,630, is at its highest ever in history. Much like the rest, it is way higher than what it was in January 2021, 50%.

https://www.marketwatch.com/investing/index/djia
https://www.marketwatch.com/investing/index/spx
https://www.marketwatch.com/investing/index/comp

12. American Rescue Plan Act: $1,400 to each American, increased earned-income tax credit from $543 to $1,502, increased child tax credit from $2,000 to $3,000, and increased child and dependent care tax credit to $4,000 for those with 1 child, and $8,000 for those

with two children. $900 in tax-free unemployment insurance until September 6th 2021. $28.6 billion in emergency grants to hard-hit small businesses and lowers health insurance premiums to as little as $200 per month.

https://www.congress.gov/bill/117th-congress/house-bill/1319
https://bidenwhitehouse.archives.gov/american-rescue-plan/

13. The American Rescue Plan Act is projected to cut child poverty rates by 45%, and it would have the biggest impacts for Black and Latino children, cutting their poverty rates by 52%, and 45%, respectively. Indigenous American children see poverty rates drop by 62%, as well as Asian children by 37%, and White children by 39%. According to the Center on Budget and Policy Priorities, ARPA absolutely prevented a poverty surge under Biden's administration.

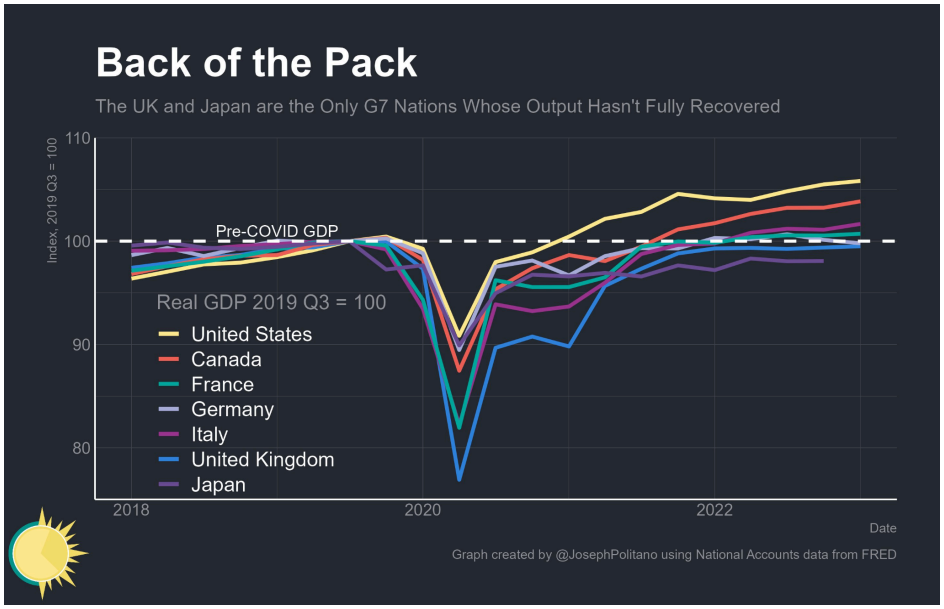
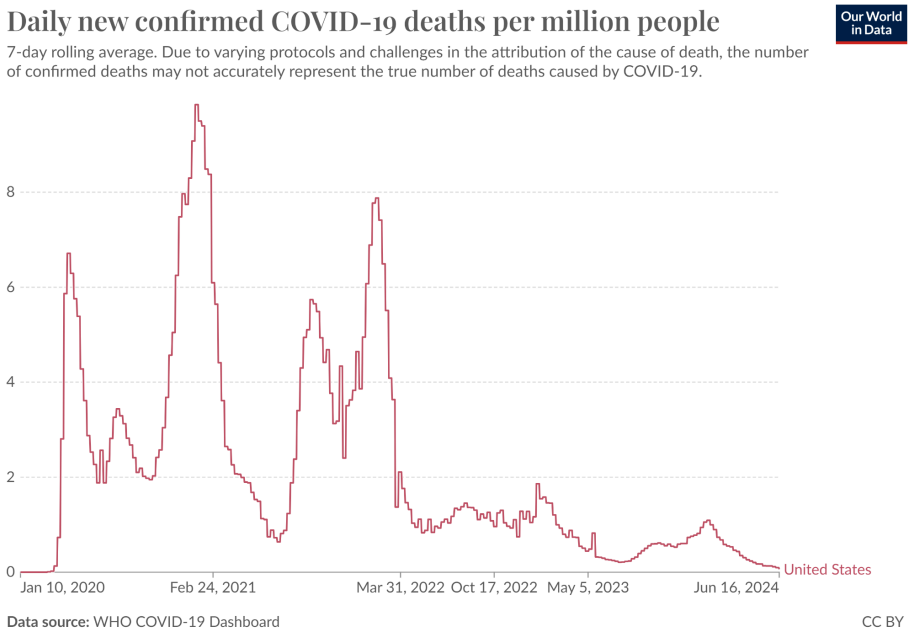
https://www.presidency.ucsb.edu/documents/icymi-falling-inflation-rising-growth-give-us-the-worlds-best-recovery



16. 200 million COVID shots administered in 100 days, beating Biden's own goal of 100 million COVID shots in 100 days.
https://www.theguardian.com/us-news/2021/apr/21/us-vaccinations-200m-100-days-biden



17. Cut COVID death rates by 99%. On the day Biden was inaugurated, the COVID death rate was 9.84 per 1 million Americans. According to the latest data, as of June 16, 2024, the death rate is down to 0.06. Even looking at total numbers, 407,000 people died from COVID under Trump in over a year from January 1st, 2020 to January 20th, 2021. 440,000 people died in the same time period from 2021-2022, mostly due to new variants. In the same period in 2022-2023, 242,000 died. However, in 2023-2024, only 80,000 people died of COVID, and in 2024, only 40,000. An overall 90% reduction in annual COVID deaths since Trump.

https://ourworldindata.org/explorers/coronavirus-data-explorer?zoomToSelection=true&time=2020-03-01..latest&facet=none&country=~USA&pickerSort=asc&pickerMetric=location&hideControls=false&Interval=7-day+rolling+average&Relative+to+Population=true&Color+by+test+positivity=false&Metric=Confirmed+deaths

18. Emmett Till Antilynching Act 2022: Makes lynching a federal hate crime offense, after a 100 years of trying.

https://www.congress.gov/bill/117th-congress/house-bill/55
https://bidenwhitehouse.archives.gov/briefing-room/speeches-remarks/2022/03/29/remarks-by-president-biden-at-signing-of-h-r-55-the-emmett-till-antilynching-act/

19. Inflation Reduction Act 2022: $14 billion to clean energy projects, $9.7 billion to rural communities, $8.5 billion to environmental quality to Indian tribes, $5.8 billion to reducing carbon emissions, $5 billion to replace energy infrastructure, $4.8 billion to states to reduce greenhouse gas emissions, $4 billion for drought mitigation, $3.2 billion for neighborhood walkability and transportation access, $3.1 billion for distressed borrowers, $3 billion to the USPS, $2.6 billion to coastal communities, $1.6 billion to methane gas reductions, among much more.

https://www.congress.gov/bill/117th-congress/house-bill/5376
https://bidenwhitehouse.archives.gov/cleanenergy/inflation-reduction-act-guidebook/

20. Infrastructure Investment and Jobs Act 2021: $326 billion total to roads, highways, and bridges; $63 billion for passenger and freight rail; $83 billion for public transportation; $25 billion for airports; $16 billion for ports and waterways; $38 billion for infrastructure safety; $18 billion for electric vehicles; $13 billion for air quality; $6 billion for nuclear power; $5 billion for the electrical grid, and $5 billion for infrastructure assistance. Total of 45,000 projects across 4,500 communities in all 50 states including DC.

23. Bipartisan Safer Communities Act 2022: $940 million to mental health programs, particularly in schools, and $2 billion to the Department of Education for school safety and mental health programs. $200 million to expanding background checks for gun buyers under 21, prohibits the purchase of a gun by an individual who has committed a crime before 18, requires routine gun sellers to register with a Federal Firearms License, $750 million in funds to crisis intervention programs and red flag laws, makes it a federal crime to traffick illegal firearms into the US, $300 million for school security, closes the

boyfriend loophole and no longer allows people with domestic violence history to own a gun, and prohibits the use of funds for dangerous firearms.

https://www.congress.gov/bill/117th-congress/senate-bill/2938/text
https://www.americanprogress.org/article/the-bipartisan-safer-communities-act-1-year-later/

24. Thanks to provisions in the Inflation Reduction Act, Medicare is able to negotiate directly with drug companies to improve access to costly life saving drugs. The drugs selected for first round of negotiations with drug companies are: Eliquis, Jardiance, Xarelto, Januvia, Farxiga, Entresto, Enbrel, Imbruvica, Stelara and Fiasp, the prices of which have been cut by 40%-80%. The Congressional Budget Office projects Americans will save over $160 billion in 10 years thanks to this, and nearly 7 million Americans will benefit from it. By 2026 alone, those enrolled in Medicare will save $1.5 billion, and American taxpayers $6 billion.

25. Some record firsts in 2021: Biggest single-year drop in the unemployment rate, greatest year of job growth, lowest level in people filing for unemployment since 1980, most significant legislation by economic impact of any first-year president, lowest child poverty rate ever, 5 million more Americans on health insurance coverage, households reporting sometimes or not often having enough food dropped 32%, more judges confirmed than any president since JFK.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2022/01/19/fast-facts-record-firsts-in-president-bidens-first-year/

26. To date, the Biden administration has forgiven $146 billion in student debt benefitting 4 million Americans. In addition, 8 million borrowers have enrolled in the SAVE plan (cuts

loan payments in half), 4.5 million have a monthly payment of $0 under the plan, and an additional 1 million borrowers who have a monthly payment of less than $100. Currently, the administration has new plans to provide debt relief to 30 million Americans, as well as eliminate accrued interest for 23 million borrowers. Pell grant eligibility were also expanded to more than 665,000 students, and Pell maximum eligibility to 1.7 million students, as well as a $900 increase to the maximum Pell grant, the largest increase in a decade.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/04/08/president-joe-biden-outlines-new-plans-to-deliver-student-debt-relief-to-over-30-million-americans-under-the-biden-harris-administration/

29. Ukraine Democracy Defense Lend-Lease Act of 2022: Allows the president to provide lend or lease defense articles to Ukraine to defend against Russia, reduces regulations on exports of defense equipment to Ukraine, allowing for faster provision of aid to Ukraine.

https://www.congress.gov/bill/117th-congress/senate-bill/3522

https://bidenwhitehouse.archives.gov/briefing-room/speeches-remarks/2022/05/09/remarks-by-president-biden-at-signing-of-s-3522-the-ukraine-democracy-defense-lend-lease-act-of-2022/

30. Ended the unjustified ban on US military aid going to the Azov Brigade.

https://www.aljazeera.com/news/2024/6/12/us-lifts-ban-on-sending-weapons-to-ukraines-controversial-azov-brigade

31. Reduced drone strikes by 42% in his first year in office, or 441. The following year, just 36 drone strikes were conducted. Overall, a 96% reduction in drone strikes, and the lowest amount of drone strikes annually since 9/11. By region, there has been a 99% reduction in drone strikes on Afghanistan, 90% reduction in drone strikes on Syria and Iraq, 79% reduction in drone strikes on Somalia, and 100% reduction in drone strikes on Yemen.

https://www.voanews.com/a/us-military-significantly-reduced-global-airstrikes-in-2021-/6392771.html
https://airwars.org/research/us-airstrikes-fell-to-historic-low-in-2022-despite-fresh-operations/

32. Ordered the assassination of Al-Qaeda leader Ayman al-Zawahiri, who served after bin Laden's death. The assassination was considered the biggest hit to Al-Qaeda since the death of bin Laden, and a big blow to the global jihadist movement.

https://www.csis.org/analysis/zawahiris-death-and-whats-next-al-qaeda

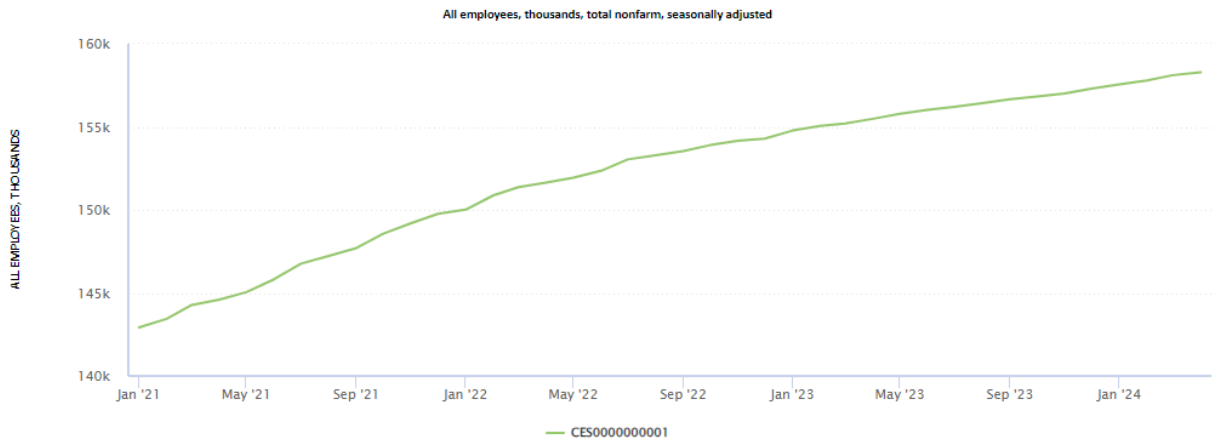
33. Total $107 billion to Ukraine, including $70 billion for military aid. From just using 5% of America's national budget and less than 1% of its government spending, US aid has helped to humiliate the second largest army in the world without a single US soldier dying. Russia has lost 50% of its military might, a fifth of its navy, and is going through cannon fodder quickly, up to 800,000 dead Russians in Ukraine. Now, Russia spends 40% of its spending on the war.

https://www.cfr.org/article/how-much-us-aid-going-ukraine
https://war.ukraine.ua/faq/what-are-the-russian-death-toll-and-other-losses-in-ukraine/
https://insights.som.yale.edu/insights/what-the-us-has-to-gain-from-supporting-ukraine

34. President Biden oversaw Finland and Sweden's entry into NATO following Russia's invasion of Ukraine. Finland officially joined NATO in April 2023, and Sweden joined in March 2024. Moreover, under Biden, NATO's annual defense spending grew by $80 billion.

https://www.defense.gov/News/News-Stories/Article/Article/3731771/pentagon-welcomes-sweden-finland-in-ceremony-marking-nato-anniversary/

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/04/04/statement-from-president-joe-biden-on-natos-75th-anniversary/



35. The US economy has added 16,620,000 jobs since January 20th, 2021. On average, almost 353,617 jobs are created every month, the best jobs per month since FDR. Compared to other presidencies, Joe Biden has had the greatest job growth under any presidency in history with the exception of Clinton, and Roosevelt, and the greatest in a solo term. The average job growth of a presidency since 1920 has been 5.5 million jobs, so Biden has created 11 million more than average.

https://www.factcheck.org/2024/04/bidens-numbers-april-2024-update/

https://en.wikipedia.org/wiki/Jobs_created_during_U.S._presidential_terms

36. The US economy saw Americans file over 20 million new business applications under Biden, with 2021-2024 being the strongest years of new business applications on record, with 2025 on track to be another strong year for small businesses. Over the course of the administration, 440,000 applications have been filed every month, a rate 90% greater than pre-pandemic averages. Black-owned businesses more than doubled, Hispanic and Asian-owned businesses reached a 30-year high, and women now own a higher share of businesses than before the pandemic. Record levels of capital, $56 billion to be exact, have been funneled to small businesses suffering from disaster-related damages, with funding tripling to Black-owned businessed, doubling to Hispanic- and women-owned businesses.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/11/14/fact-sheet-a-record-20-million-new-business-applications/

37. 789,000 manufacturing jobs have been created under Biden. $220 billion has been poured into manufacturing across the United States as well as $910 billion in private investments, and mostly Republican states are the ones benefiting from this manufacturing boom. Under Joe, manufacturing is booming thanks to his "Invent It Here, Make It Here" Made in America policies.

41. In July 2024, Biden ordered the Department of Labor to issue a new rule raising pay for 4 million workers by increasing who is eligible for overtime compensation when they work more than 40 hours per week. In addition, the new rule made 1 million workers making less than $43,888 newly eligible for overtime benefits, and next year protections to be extended to another 3 million workers who make less than $58,656.

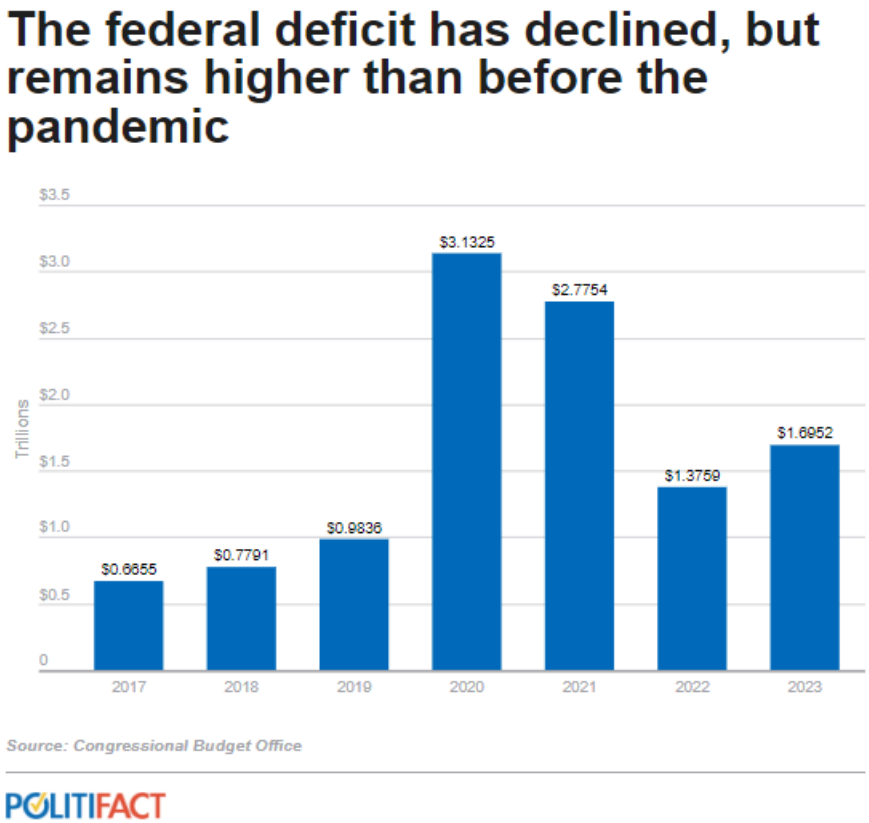
https://www.dol.gov/newsroom/releases/osec/osec20240701

42. Signed the Butch Lewis Act of 2021, the most significant law for union retirement security in over 50 years. The bill provides a bailout to fund multi-employer pension plans for 30 years, and restores pensions to their full amount and increases the national pension insurance cap.Thanks to the law, 2 million workers' pensions have been rescued and protected, ensuring they remain solvent.

https://en.wikipedia.org/wiki/Butch_Lewis_Act
https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/06/21/fact-sheet-biden-harris-administration-announces-over-one-million-pensions-protected-thanks-to-the-american-rescue-plan/

43. In 2021, the unemployment rate plummeted by 39%, the quickest reduction in a year.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2022/01/19/fast-facts-record-firsts-in-president-bidens-first-year/



44. The federal deficit has been reduced by $1.4 trillion dollars, and has reduced by 45% since 2020.

https://www.politifact.com/article/2024/mar/05/the-deficit-has-fallen-under-joe-biden-but-its-sti/

45. Imposed a multitude of sanctions against Russia, alongside NATO allies, including on Russian financial institutions, Russian banks, Russian imports and Russian elites. Due to this, the Russian economy declined by 2.1%, and Russian exports reduced by 9.7% in 2022, and 4.6% in 2023. Monthly oil revenues plummeted 41.7% in 2022, and a total 300 billion Euros in assets have been frozen.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2022/02/24/fact-sheet-joined-by-allies-and-partners-the-united-states-imposes-devastating-costs-on-russia/

https://www.consilium.europa.eu/en/infographics/impact-sanctions-russian-economy/

46. Biden's peace plan for Gaza includes complete withdrawal of Israeli forces in Gaza, return of hostages, humanitarian aid in Gaza, permanent end to hostilities and major reconstruction of Gaza. Both Israel and Hamas have agreed to the peace plan.

https://ny1.com/nyc/all-boroughs/news/2024/07/12/biden-says-both-israel-and-hamas-have-agreed-to-framework-of-ceasefire-and-hostage-release-plan-war-in-gaza

47. Has officially ended the US combat mission in Iraq originally started to fight ISIS in the country.

https://www.cnn.com/2021/07/26/politics/joe-biden-iraq/index.html

48. On the 50th anniversary of Roe v. Wade, issued a Presidential Memorandum directing agencies to consider further efforts to support patients, providers, and pharmacies who wish to legally access, prescribe, or provide medication abortion. Moreover, the memorandum allows mifepristone, a medication abortion pill, to be prescribed by telehealth and sent by mail. He also reaffirmed the AG's statement that women must remain free to travel to another state to seek the care they need, and directed U.S. governors to apply Section 1115 waivers to expand access to care under the Medicaid program for women traveling to another state.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/03/07/fact-sheet-biden-harris-administration-continues-the-fight-for-reproductive-freedom/

49. Sergeant First Class Heath Robinson Honoring our Promise to Address Comprehensive Toxics (PACT) Act: Biggest generational expansions and extensions of eligibility for VA healthcare for veterans with toxic exposures and veterans of the Vietnam war, the Gulf war, and post-9/11 wars. Mandates that every enrolled veterans will receive an initial toxic exposure screening and a follow-up screening every five years, and authorizes the construction of 31 new facilities across the country to provide greater VA healthcare access

https://www.va.gov/files/2023-08/PACT%20Act%20Overview%20101_v11.7.22%20%281%29.pdf

50. Under Biden, the VA helped 46,000 veterans find permanent housing, and helped more than 145,000 vets and their families keep their homes, and awarded more than $1 billion in grant funding to help homeless veterans. Overall, veteran homelessness has reduced by 5% under Biden. As part of the PACT Act, veterans have received $5.7 billion in benefits for themselves and their families, and claims for benefits are being processed at the fastest rate in history. A total of 1.33 million claims have been processed under the PACT Act. Moreover, $637 million were delivered in funding to veterans with cancer. 145,000 veterans have also been enrolled in VA Health care since 2022.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/05/21/fact-sheet-president-biden-to-announce-1-million-pact-act-claims-approved-benefits-delivered-to-veterans-in-all-50-states-and-u-s-territories/

51. Since May 2023, wage growth has consistently outpaced inflation. As of July 2024, wage grew 4.6% over the previous year. Comparatively, inflation had rose 2.9%. Wages

growing faster than the prices are increasing means that on average, workers are able to afford the average market basket of goods.

https://www.bls.gov/news.release/realer.t01.htm
https://tradingeconomics.com/united-states/wage-growth

52. Cut the homicide rate by 31%. In 2022, the homicide rate was 6.2, a 7% reduction from 2021, 6.8. In 2023, the US experienced one of the largest single-year reductions in murder on record, with the murder rate reduced by nearly 13%, to an estimated 5.4 per 100,000. Moreover, across major US cities, homicide rates were down 13% in the first half of 2024. Applied nationally would mean a homicide rate of 4.7 per 100,000, the lowest since 2014.

53. According to the FBI's crime report for quarter 1 of 2024, violent crime had reduced 15% compared to the previous year. Moreover, Murder was down 26%, rape down 26%, robbery down by 18%, and aggravated assault reduced by 13%.

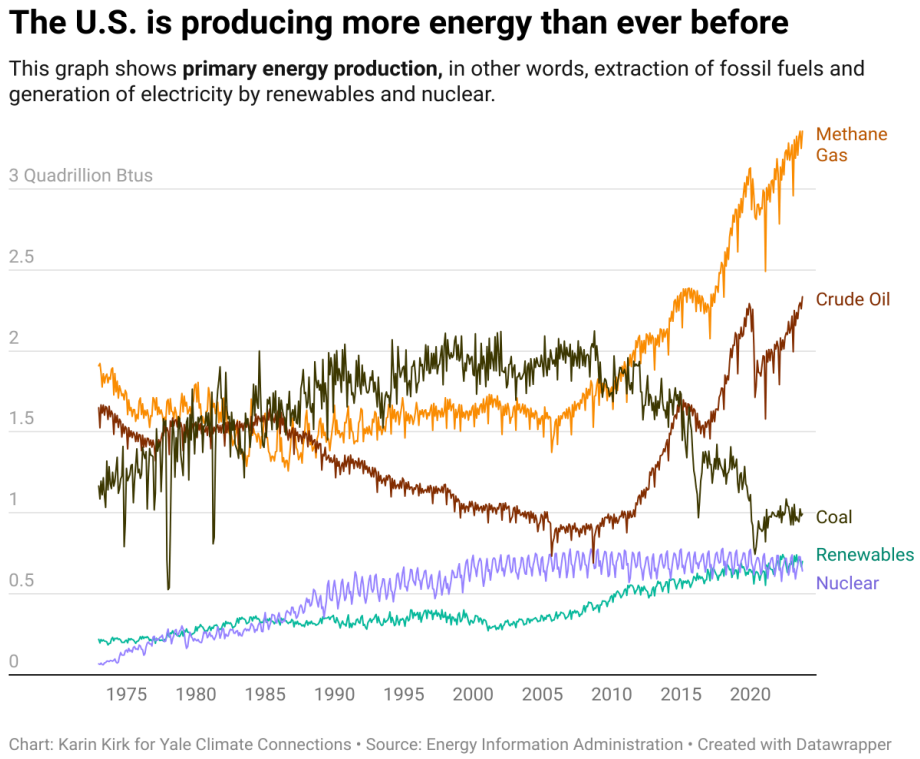
https://www.fbi.gov/news/press-releases/fbi-releases-2024-quarterly-crime-report-and-use-of-force-data-update

54. Eliminated medical debt from appearing on one's credit score, under the Consumer Financial Protection Bureau (CFPB).

https://www.cnbc.com/select/medical-debt-credit-report/

55. Responsible for a 75% reduction in US combat deaths, with only 16 recorded deaths of American soldiers between 2021-2024. In comparison, 65 US soldiers lost their life under the Trump administration.

https://washingtonmonthly.com/2024/09/03/world-war-iii-fewer-u-s-troops-died-in-combat-under-biden-harris-than-trump/



56. Has achieved total energy dominance. The US is producing more methane gas and crude oil than never before. Methane gas is up 76% since 1976, and crude oil up 41%. This is despite the consumption of oil declining, and the consumption of methane gas is not increasing. This means that the US is producing more energy than it is consuming.

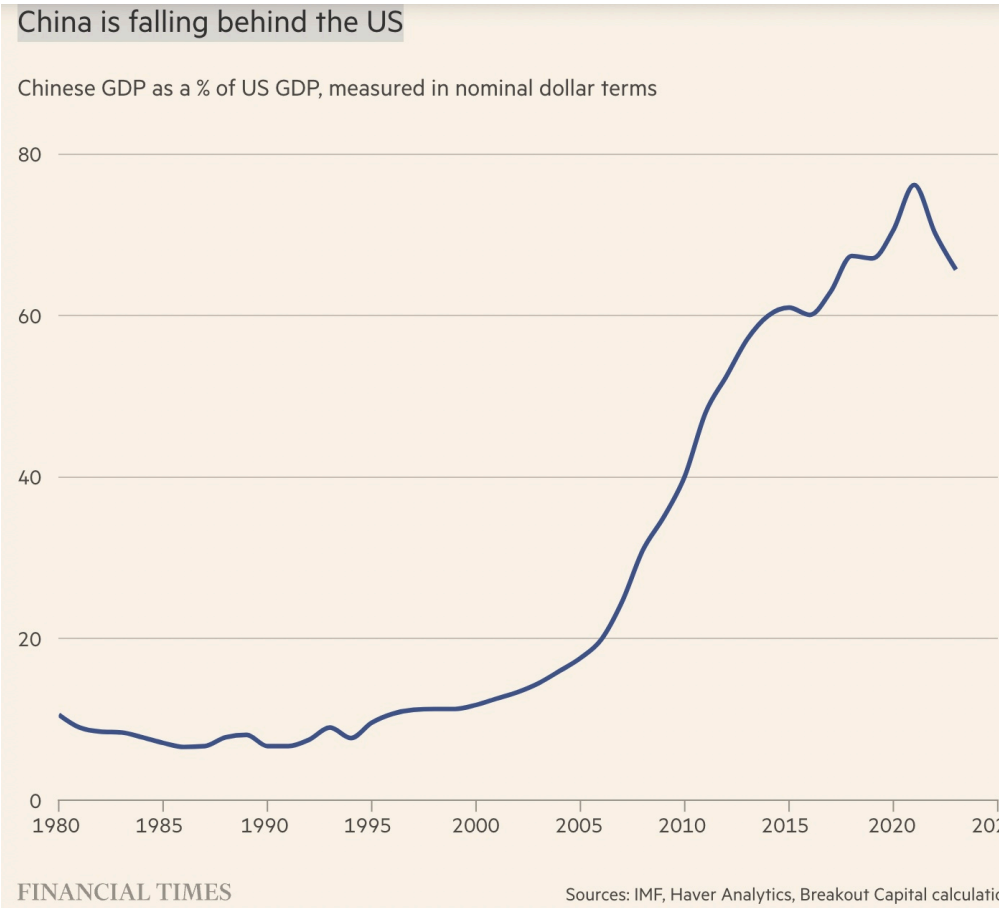
https://yaleclimateconnections.org/2024/03/the-u-s-has-never-produced-more-energy-than-it-does-today/

57. Median wealth of Americans has increased 37% since 2019, the largest increase in history.

https://www.npr.org/2023/10/18/1206830922/family-wealth-income-inequality-finances-fed-survey

58. Under the Inflation Reduction Act (IRA), allocated $3.1 billion for the Department of Agriculture (USDA) to provide relief for distressed borrowers with at-risk agricultural operations with outstanding direct or guaranteed Farm Service Agency loans. USDA has provided over $2 billion and counting in timely assistance.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/02/06/fact-sheet-the-biden-%E2%81%A0harris-administration-advances-equity-and-opportunity-for-black-americans-and-communities-across-the-country-2/



Behind this absurdity are global bragging rights. President Xi Jinping aims fo China to overtake the US as the world's dominant economy, and his officials closely track its progress in nominal dollar terms — not in PPP terms, which is commonly used among western academics. In nominal terms, China's GDP is now 66 per cent of US GDP, down from 76 per cent in 2021. Aggressive

59. China's GDP compared to America's GDP has fallen since 2021, when China's GDP was 76% of that of America's GDP. In 2023, it is down to 66%.

https://www.ft.com/content/9edcf793-aaf7-42e2-97d0-dd58e9fab8ea

60. Secured a historic ceasefire between Israel and Hamas. Phase 1 will last six weeks, including a complete ceasefire, the withdrawal of Israeli forces from populated areas in Gaza, and release of hostages held by Hamas in exchnage for the release of Palestinian prisoners. Phase 2 will include the release of remaining living hostages, and all remaining Israeli forces withdrawn from Gaza, and finally Phase 3 will see the remains of deceased hostages returned and a major reconstruction plan for Gaza. This plan is almost exactly the same as the one Biden laid out in June 2024.

https://bidenwhitehouse.archives.gov/briefing-room/speeches-remarks/2025/01/19/remarks-by-president-biden-on-reaching-a-ceasefire-and-hostage-deal/

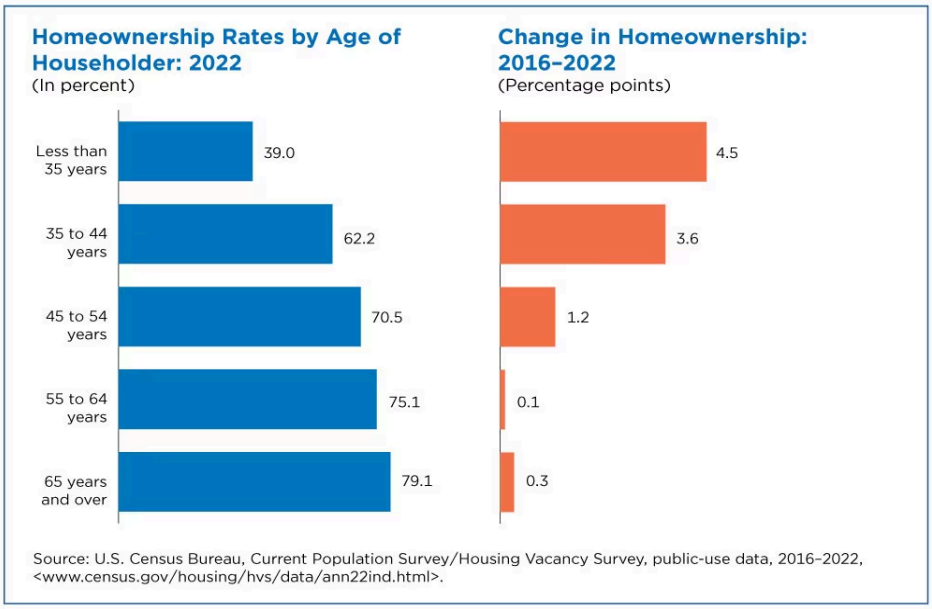
61. Under Biden, house construction has risen 17% compared to the previous administration, with more units under construction than at any time in over 50 years, along with over 2 million new homes being build. As part of the American Rescue Plan, $20 billion was committed for housing projects, including over $7.5 billion to construct, preserve, and stabilize tens of thousands of units and millions of homes. Due to these efforts, in 2022, US homeownership rate rose to 65.8%, compared to 64.6% in 2019, before the COVID-19 pandemic, with Americans aged less than 35 fuelling this rise (39% up from 34.5% in 2016), as well as Americans aged less than 44 (62.2% up from 58.6%).



https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/08/13/fact-sheet-biden-harris-administration-takes-new-actions-to-lower-housing-costs-by-cutting-red-tape-to-build-more-housing/
https://www.census.gov/library/stories/2023/07/younger-householders-drove-rebound-in-homeownership.html

62. Under Biden, the DOL announced $65 million in investments to community colleges across the U.S., expanding access to high-quality workforce training in critical industries, including manufacturing, healthcare, IT, and infrastructure. In addition to this, the Biden administration invested nearly $730 million in Registered Apprenticeship programs, helping more than 1 million people gain apprenticeships.

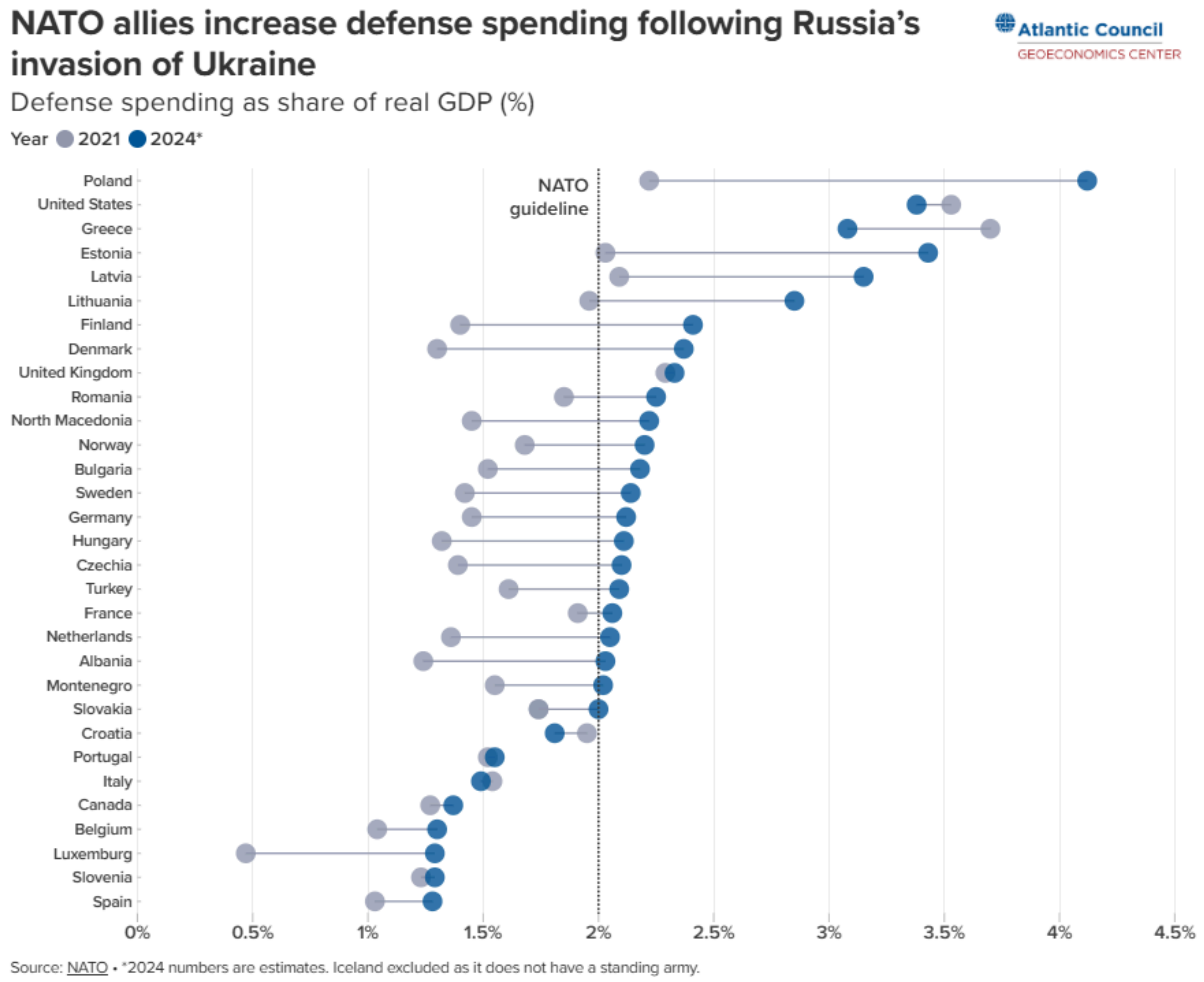
63. NATO is a more reinvigorated and strong force thanks to Joe Biden. Out of the 32 NATO countries, 23 (or 72%) meet the 2% target for military spending, up from just 6 countries (19%) in 2021. The surge in military spending is thanks to NATO's response following the Russian invasion of Ukraine.

https://www.atlanticcouncil.org/blogs/econographics/whos-at-2-percent-look-how-nato-allies-have-increased-their-defense-spending-since-russias-invasion-of-ukraine/



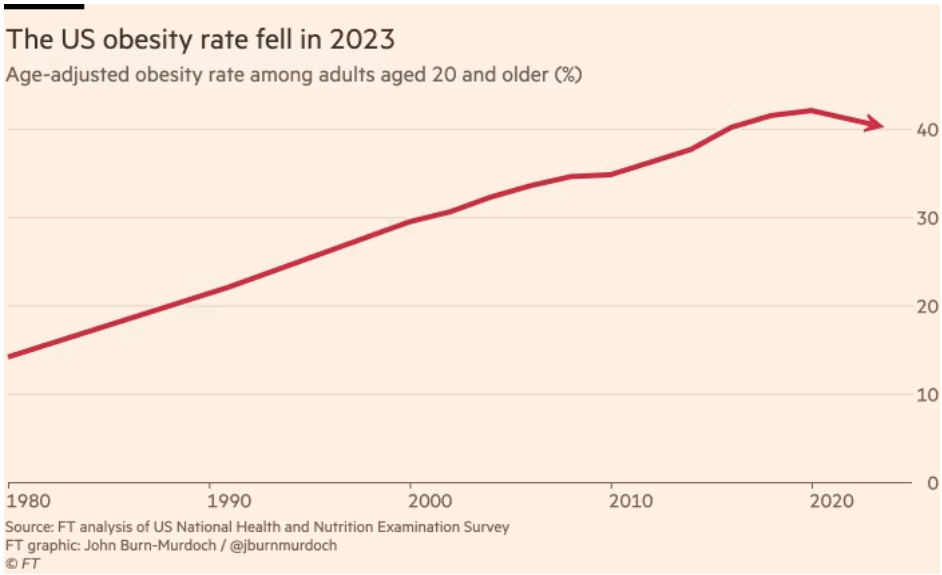
64. Joe Biden has helped see the release of more than 70 Americans who were detained illegally around the world, such as in Afghanistan, Burma, Gaza, Haiti, Iran, Russia, Rwanda, and Venezuela.

https://www.newsweek.com/joe-biden-donald-trump-hostages-1933435

65. Under Joe Biden, obesity rates have fallen for the first time since 2012, from 41.9% in 2017-2020, to 40.3% in 2021-2023.

https://www.theguardian.com/us-news/2024/oct/18/weight-loss-drugs-ozempic-obesity

https://www.ft.com/content/21bd0b9c-a3c4-4c7c-bc6e-7bb6c3556a56



66. The Administration has invested billions of dollars into Historically Black Colleges and Universities (HBCUs) and Hispanic-Serving Institutions (HSIs), including over $19 billion for HBCUs and $16 billion for HSIs.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/05/16/fact-sheet-biden-harris-administration-announces-record-over-16-billion-in-support-for-historically-black-colleges-and-universities-hbcus/
https://web.archive.org/web/20250108095411/https://www.ed.gov/about/news/press-release/fact-sheet-biden-harris-administration-announce-state-state-breakdown-of

67. Biden has taken historic actions to prevent cancer, by protecting 100 million Americans from exposure to cancer-causing PFAS chemicals, and targeting tobacco-related deaths by having the FDA issue a rule that would set a maximum nicotine level in tobacco products, including cigarettes, thereby making them only slightly addictive. In addition, historic actions were taken to reduce e-cigarette use by U.S. children, via public education campaigns and industry enforcement, leading to 2 million fewer children using them, and the rate dropping from 13% in 2020 to 6% in 2024. $20 billion was directed to removing PFAS-laden infrastructure, leading to 267,000 lead pipes being replaced, benefitting nearly 1 million people.

https://bidenwhitehouse.archives.gov/ostp/news-updates/2025/01/15/the-biden-cancer-moonshot-ending-cancer-as-we-know-it/

68. Enrollment in the Affordable Care Act (ACA) marketplace grew by 12 million Americans, from 12 million in 2021 to 24 million in 2025, for a total of 45 million Americans having coverage through the ACA. The Biden administration has helped to lower health care costs, and making it easier to sign up for coverage, helping save consumers an average of $800 annually on their premiums.

https://bidenwhitehouse.archives.gov//briefing-room/statements-releases/2025/01/08/fact-sheet-biden-harris-administration-announces-record-breaking-2025-open-enrollment-period-under-the-affordable-care-act/

69. Took the fight directly against opioids and drug overdoses, leading to opioid overdose deaths decreasing, for the first time since 2018, by 4% from 2022-2023. From 2023-2024, drug overdose deaths dropped by 10%. This is a big reversal from when drug overdose deaths had increased 31% from 2020-2021. Under Biden, healthcare has expanded access to treatment by expanding the number of providers prescribing medication for opioid use disorder. Moreover, border police have seized and prevented historic amounts of illicit drugs from entering the U.S.

https://www.cdc.gov/nchs/pressroom/nchs_press_releases/2024/20240515.htm

https://bidenwhitehouse.archives.gov/ondcp/briefing-room/2024/08/28/biden-harris-administration-actions-to-address-the-overdose-epidemic/

70. As part of the fight against Big Pharma, parts of the IRA eliminated costs and deductibles for adult vaccines recommended by the Advisory Committee on Immunization Practices (ACIP), helping 10.3 million Americans receive a recommended vaccine free of charge, saving more than $400 million in out-of-pocket costs.

https://aspe.hhs.gov/reports/ira-elimination-vaccine-cost-sharing-2023

71. Has took action to protect and conserve 674 million acres of land and water, more land than any other president in history. More than $35 billion was directed to conservation efforts across the country. This has been a very popular policy of Biden, with over 75% approving of Biden's America the Beautiful initiative, with 85% approving of conservation efforts of national monuments and wildlife refuges, 74% approving of public lands protections and 86% approving of recovery of endangered wildlife.

https://www.americanprogress.org/article/the-biden-administration-took-record-breaking-conservation-action/

72. Restarted the age-old presidential tradition of attending the succeeding president-elect's inauguration, a tradition that was broken by Trump in 2021. Moreover, electoral certification took just 30 minutes, compared to 14 hours and 48 minutes in 2021.

https://www.usatoday.com/story/news/politics/2025/01/20/joe-biden-inauguration-day-2025/77723680007/
https://x.com/cspan/status/1876345044140978482

73. Under the ARPA, states are allowed to extend Medicaid postpartum coverage from 2 months to 12 months of post-pregnancy care. In addition to help protect women's health, Biden took actions to fight against violence against women, by reauthorizing the Violence Against Women Act of 1994 (VAWA). The act focused on providing resources

to improve responses and policies to act against domestic violence, sexual assault, and stalking, as well as providing support to victims. He also increased representation of women in the cabinet, with a record number of 12 women in his Cabinet.

https://www.kff.org/medicaid/issue-brief/medicaid-postpartum-coverage-extension-tracker/
https://www.justice.gov/opa/pr/justice-department-commemorates-30th-anniversary-violence-against-women-act
https://19thnews.org/2021/01/biden-women-cabinet-nominations/

74. Confirmed 200 federal judges as of May 22nd, 2024, 64% of which being women. This is the most amount of federal judges confirmed out of any president, many who will have the power to uphold basic rights or to roll them back, as Biden put it.

https://bidenwhitehouse.archives.gov/briefing-room/statements-releases/2024/05/22/statement-from-president-joe-biden-on-confirming-200-federal-judges/
